### **discuss & respond:**

- . Do you have any pre-worship discipline that helps you better engage in church?
- . Share a comment about one of the four parts of worship. What's helpful or challenging about it?
- . How can you engage in communal (not private) worship more actively (less passively)?
- . Why do you "go to church?" Seriously, think about this. What's your reason in this season?
- . What about your relationship with church would you like to change or develop?
