### discuss & respond:

- What experiences in your life served as rites of passage? How would you characterize the "old" and the "new"?
- Who helped you navigate the "in-between"? What did they do that was helpful?
- Share an observation about one of the "archetypal" biblical passages.
- What three critical roles does the community play in an individual's growth process?
- Comment on one of the three roles. How is this done? Do you feel equipped?
