### discuss & respond:

- Discuss the various ways "the church" has related to culture. Which of these ways do you most appreciate?
- Consider a challenging cultural issue and the difference ways (above, with, avoid, against) the church might choose to respond.
- Paul's invitation to experience joy in the midst of the challenge is (among other things) a creative response. Read Philippians 1:12-30.
- Consider a challenge you're facing (maybe you identified something last week). What are you risking in facing this challenge?
- How is this challenge physical (as well as spiritual)? (Note Paul's phrase: in the body).
- For what, specifically, do you need courage? How can we pray for you to have courage enough?
