discuss & respond:

- At what level did you mark your "peaceful" cup?
- God is omnipresent. How does that make you feel?
- Review a few of the key scriptures. Consider the various emotional responses to God's omnipresence.
- Share an observation or thought about the "progression" and where "peaceful" lands.
- Are you pulled away from the "practice" of being present to this moment more by the past or the future?
- How do you/could you practice the here/now presence of God?
- Invitation: Do this for a week and track whether you experience more peace.
