DISCUSSION QUESTIONS FOR THIS WEEK'S HOME GROUPS:

- Read/pray Psalm 84.
- Are you reading the Psalms? Are you
listening to the reflections on our podcast?
How well are you relating to these prayers?
Do you struggle to relate or do you
connect easily with them?
- Discussion the word "longing." What do you
want? How are your wants related to the
writers' longing for God? Are they
connected? Are they distractions?
- Share a comment on seeing all of life as a
pilgrimage. Consider the phrase "They go
from strength to strength."
- What's a source of adversity in your life
right now? What is your specific, real-life
opportunity to trust God today?
