Questions for further discussion:

- Beliefs are based on other's knowledge. Knowledge is based on first-hand experience. Give an example of something you believe and of something you know.
- Read Deuteronomy 6:4-9, 11:1-7, 18-21. What was/is so important and so challenging about providing spiritual guidance for your children?
- How can we better love and share the truth with our neighbors in a culture that scoffs at spiritual truth and is so easily offended?
- Read John 8:30-31 and comment.
