DISCUSSION QUESTIONS FOR THIS WEEK'S HOME GROUPS:

- We kicked-off the "When Faith Has Faces" series by considering signs of "community-driven" vs. "consumer/individualist" churches. Has this series deepened your appreciation for Emmaus' commitment to community? If so, how?
- Share a memory of a moment when you feel Emmaus was doing what it does best. What was displayed in that moment that you value?
- Review and comment on the four "choices" mentioned in the sermon.
- What would you add to this list of choices needed to grow as an authentic and effective church community?
