A PSALM A DAY

We're reading and praying a psalm each day. Go to adailypsalm.com/emmaus to stay on track.
Today's psalm: #71.

DISCUSSION QUESTIONS:

- Did you notice any difference in your experiences with temptation last week? If so, please share.
- Read John 10:7-11. We typically associate temptation with evil, and for good reason. And yet, we're still drawn to what we know will cause harm! Why?
- Discuss the one general question and the three focused questions we can use to interrogate temptation. Try this out on some real life temptation examples.
- Discuss the second "benefit of temptation." In what ways do/don't you resonate with this idea?
