QUESTIONS FOR HOME GROUPS

- Literally speaking, what is the darkest place you've been? How did you experience light in this place (if you did)?
- Light is such a basic, universal reality that it's used to metaphorically describe other things. What does it mean to be "in the light" or "filled with light" or to "shine the light" or to "be the light"?
- Review and comment on the meaning of John 1:1-9, 8:12, and 9:4.
- Why is "compassion" often harder for us than "community"?
- Where, in your "world" is there darkness? How can you be "the light of the world"?
