DISCUSSION QUESTIONS FOR HOME GROUPS & FAMILY MEALS

- How might you have felt if you had been a leper in the ancient world?
- Have you ever felt like an outcast living on the edge of society, or known someone in the place? What was that experience like?
- Has suffering cause you to question God's compassion, or to see more of it? Does the idea of walking in dark places inspire you, or frighten you?
- How is the idea of Jesus 'making us clean' relevant and timely?
- Are there specific people whom you might 'reach out and touch' this week in the name of Christ?
