DISCUSSION QUESTIONS FOR HOME GROUPS & FAMILY MEALS

- How have you tended to view (or navigate) your own suffering? The suffering of others? (I must deserve it; it's not real; it's just my destiny...)
- How has suffering undermined your identity or peace (shalom) at times?
- What did you hear in the message that provided clarity or raised a question for you?
- Have there been places (hems) or special spiritual significance to you? Is it appropriate to think of 'thin places'?
