## **HOME GROUP QUESTIONS:**

- What part of our gatherings is typically most helpful to you?
- ...most challenging to engage?
- To what would you compare your approach to Sunday morning? A show? A workout? A class? A family gathering? Something else?
- There is no prescribed "order of service" in the Bible. But what might we learn from these passages: Psalm 63:1-4, Acts 2:42, 1 Cor. 10:16-17, Hebrews 12:28-29, James 1:22, Rev. 4:8-11?
