RESUME THIS WEDNESDAY! 6:30p-8:00p

HOME GROUP QUESTIONS:

- What did you find helpful or challenging in this message?
- What have been some of the influential stories in your own life growing up?
- Describe some new beginnings you are experiencing. How might it help to keep declaring, “In the beginning God...”?
- What are your thoughts about the statement that “God should be enough when it comes to human needs”? How has that statement helped or hurt us?
- The message emphasized that our purpose is not to change the world but to love the world. Discuss these two perspectives.
- If God’s greatest purpose and calling on our lives is to love well, how might you love better this week?
