## HOME GROUP QUESTIONS:

- Think of one memorable experience from the last few days. Did you share/ talk/ write about it? Why?/Why not?
- Make a quick list of common motives (reasons why we say/do things).
  - What do you notice about your list?
- Re-read 1 John 1:1-4 and comment.
- What would you ask John about experiencing joy as a motive?
- Nate suggested that behind our message is our motive and our experience. How aligned are these in you?
- How might you search for and discover more joy in your life with Christ?
