**WELCOME: CESAR CORLETO**

“My calling into ministry came in a deeply personal way. After surviving a second overdose, I encountered the grace and mercy of God in a way I couldn't deny. He rescued me, and since then, my life has belonged fully to Him.

I've been married to my amazing wife, Grecia, for almost two years. When we're not serving at church or spending time with students, we love exploring new places and making memories together.”

Cesar is Associate Pastor at Bethesda\* Church of the Nazarene in Sacramento.
