**CHRISTMAS OFFERING:**

Each year, as a community, we give a special year-end offering to support local and international restoration efforts. This year's Christmas Offering goal is \$30,000.

\$20,000 will cover all the costs of raiding a brothel fronting as a bar in Cambodia and rescuing 7-9 girls and women being trafficked. Our longtime partner: [aimfree.org](http://aimfree.org)

\$10,000 will be used to help local families throughout the year with immediate financial needs. We'll share more today.
