

## Gathering #1093/Livestream #313

March 8, 2026

### Sermon: Trust at the Table

---

The biggest celebration...  
commemorating the biggest event...

#### Exodus 12 (p. 53)

vs. 2: Your story begins with \_\_\_\_\_

vs. 3-11: a very unusual dinner

.  
. .  
. . .

vs. 12: "It is the LORD's Passover."

#### Consider this:

Before \_\_\_\_\_ comes \_\_\_\_\_.

Before \_\_\_\_\_ comes \_\_\_\_\_.

Before \_\_\_\_\_ comes \_\_\_\_\_.

#### DISCUSSION QUESTIONS:

- God instructs Israel to remember the passover meal. Share an especially meaningful/memorable meal you've experienced.
- Comment on Exodus 12:1-13 & 17.
- Why do you think God chose a meal - of all things - as a way to mark this moment of salvation?
- The meal is not just a way of remembering salvation; it is first an act of obedience before salvation takes place. What might we learn from this?
- How does this story shape/inform your understanding of holy communion?
- What stories of deliverance could you tell at the table?
- For what acts of deliverance can you actively trust God when you come to the table?
