DISCUSSION QUESTIONS:

- Read 1 Cor. 10:16-17. Share a thought about "one loaf" as a symbol of unity.
- The context is a warning against idolatry. From what "other sources" are we tempted to find life?
- How does "unity" differ from "sameness?
- The sermon emphasized that unity is formed through shared life, not just shared beliefs. Where, in your current life rhythms, do you experience this?
- What might costly unity look like in our context today?
- What's one simple step you could take this week to participate in one body?
