DISCUSSION QUESTIONS:

- We've spent a big chunk of time focusing on the table, food, and the power of the shared meal. How has this emphasis impacted you personally, so far?
- Read and respond to 1 John 2:3-6. What question would you ask the Apostle John about this if you could?
- What do you associate with "the Great Commission?" What, if anything, comes to mind?
- Read Matthew 28:16-20 - the final words of the gospel. What do you notice? What do you hear Jesus wanting to emphasize?
- What do you perceive to be the barriers to - and the benefits of - inviting your neighbors over for a meal/dessert?
