HOME GROUP DISCUSSION:

- Who is one of your heroes? What do you admire about this person? What do they do that you try to imitate?
- Think about someone who has taught you something important about life. What did you learn from this person by watching how they lived, rather than simply listening to what they said?
- Who has helped you learn to follow Jesus? What did their example teach you that might have been difficult to learn from a book, sermon, or class?
- What is the general theme of the texts listed on the front page?
- Read Hebrews 13:7-8. Which of the three instructions might require of you more intentional effort?
- If someone decided to learn about the way of Jesus simply by observing your life for a week, what would they learn? What do you hope they would learn?
